# ergotron® moving you forward

## LX Wall Mount Keyboard Arm & LX Sit-Stand Wall Mount Keyboard Arm

- Comfortable typing: Fits data entry die-hards or keyboard users in tight spaces
- More motion: Provides flexible keyboard lift and up to 35" (89 cm) extension
- Easy adjustment: Quick and simple positioning using patented Constant Force<sup>™</sup> Technology
- Ergonomic set-up: Back-tilt keyboard tray protects wrists from pain or injury
- Save space: Keyboard folds within inches of the wall when not in use
- Quality design: Built for thousands of movements by passing 10,000-cycle test
- Includes 10-year warranty

## EFFORTLESSLY POSITION YOUR KEYBOARD TO THE MOST COMFORTABLE, ERGONOMIC POSITION!

Ergotron's LX Wall Mount Keyboard Arms provide a very stable platform for your mouse and keyboard. The tray's adjustment mechanism allows the surface to be perfectly level regardless of where the keyboard is positioned. Its back-tilt tray keeps your wrists in a neutral position during data entry—ensuring comfort and alleviating repetitive-stress injury.

Our LX keyboard arms are perfect for space-constrained areas. Extend the keyboard out during use and fold it up to just inches from the wall when finished. Combine it with an LX Wall Mount LCD arm to experience a complete ergonomic workstation solution. Also available is a completely integrated Wall Mount System that includes the display and keyboard arms, wall track and CPU holder.
