24'' IPS monitor with a FHD camera and microphone

The XUB2490HSUC is a perfect choice for demanding users looking for a high quality screen allowing for instant connection and collaboration. The IPS matrix offers accurate and consistent colour reproduction with wide viewing angles. The blue light reducer function with flicker free LCD technology reduce eye strain and offer a more comfortable viewing experience. Supplied with a 150mm height-adjustable stand featuring pivot and swivel functions, the XUB2490HSUC allows you to easily adjust the screen position to your preferences. Furthermore, the versatile connectivity options assure cross platform compatibility (VGA, HDMI, DisplayPort and USB port) and make it a perfect fit for your connected office or home office workplace.

Webcam & Microphone

The web camera and microphone guarantee seamless compatibility with any video or web conferencing platforms.

IPS Technology

IPS displays are best known for wide viewing angles and natural, highly accurate colours. They are especially suited for colour-critical applications.
